

HOMework CONTRACT

The ultimate goal for your children as they get older, is for them to learn to take responsibility for their homework, and for you to take an interest or offer help when appropriate. One way to avoid daily battles over homework and encourage independent homework is to draw up an age appropriate study contract with each child.

Study contract

_____, mum and dad agree that _____ will do _____ of homework at his/her desk every evening after tea.

_____ will show either Mum or Dad his/her completed work each day.

Optional:

If _____ does all his/her homework and assignments each week, he/she will earn _____ points.

We agree to negotiate use of social network sites e.g. Facebook, during exam times.

When _____ has a total of _____ points mum and dad will pay for him/her and

_____ to go to a movie or _____.

Signed _____
